The Cosmetic Doctors Company is at 6 Esher Park Avenue behind The Bear.

Entry is via the wrought-iron gates between Victoria Place apartments and AW Law solicitors.

There are 19 parking spaces on Esher Park Avenue but at busy times it may be better to park in the Civic Centre car park that is only a few minutes walk away. Exit the Civic Centre car park by walking up the slope to the upper level then at the library turn left along Old Church Path. At the end of the path turn right into Esher Park Avenue and we are 50 yards on the left.
